CONNOR YOSKOWITZ

Jacksonville, FL | 732.685.7149 | ConnorYoskow@gmail.com | ConnorYoz12.github.io

PROFESSIONAL PROFILE

Cybersecurity graduate with experience in SIEM monitoring, incident response, vulnerability management, and network security. Skilled in Splunk, Active Directory, Python, NIST, and MITRE ATT&CK. CompTIA Security+ certified seeking a SOC Analyst or Information Security Analyst role.

TECHNICAL SKILLS

Splunk SIEM	Wireshark	Windows & Linux OS
Active Directory	Ticketing Systems	Python & C++
Threat Detection	MITRE ATT&CK	Security Framework (NIST)
TCP/IP	Intrusion Detection Systems	Network Monitoring

EDUCATION & CERTIFICATIONS

Jacksonville University – Jacksonville, FL November 2025

Bachelor of Science in Cybersecurity

Minor: Computer Science

CompTIA Security+ March 2026

WORK EXPERIENCE

AMPORTS Inc.– Jacksonville, FL May 2025 – Current

IT Security Intern

- Performed initial triage and investigation of security alerts and escalated incidents when necessary.
- Reviewed systems and software against NIST security guidelines and documented findings.
- Monitored security alerts and logs using SIEM tools to detect suspicious activity and potential threats.
- Documented incident response actions, findings, and security recommendations.
- Assisted with vulnerability management and remediation tracking.

Sports Media Technology – Jacksonville, FL January 2025 – April 2025

Networking IT Intern

- Configured and secured network infrastructure and devices like firewalls.
- Implemented network security controls and assisted with system hardening.
- Monitored network activity and troubleshot connectivity and security issues.

CAMPUS INVOLVEMENT

PI KAPPA ALPHA November 2021– November 2025

Member

- Assisted judicial board making decisions on conflicts that arise within the fraternity.

Association for Computing Machinery Chapter (ACM) August 2023 - Present

Treasurer

- Participating in Capture the Flag competitions with teams of 5-6
- Practiced Reconnaissance, OSINT, Reverse shells, Metasploit, and Password Cracking
